## SHOPPING CENTER, 1826

By Edith LaFrancis

Shopping centers are nothing new. The idea of many services under one roof was being practiced in the thriving center of West Springfield in the early 1800's. Ely's store at the corner of Elm and Westfield Streets was a landmark for many years.

Before the Elys built their store, one of the best known business men in the area was Jere Stebbins, a descendant of the Stebbins family who came to Springfield in 1639. He kept a tavern and store which after 1802 was also the post office. He owned a large farm, manufactured earthen ware and saltpetre, and with Moses Day was extensively engaged in boating on the Connecticut. Solomon Todd, who made brooms and carted them to Boston, often brought goods for Stebbins' store.

On August 18th, 1826 the Hampden Journal carried the announcement of a new business enterprise. "Justin and Charles Ely have formed a business connection under the name of J. & C. Ely and have lately removed to their new brick store a few rods north of the Post Office."

In 1826 Sewell White was Postmaster and kept a store across the street from Ely's. Competition was keen and he finally sold out.

Ely's new store had white window frames and was referred to as being "handsome and expensive." It carried a great variety of general merchandise, groceries, tools and clothing. The back half of the building housed the "flour, meal and feed" department.

Built into the brick wall under one of the windows was a ponderous iron box. This was the first vault and safe deposit box in town. Not only did it protect the store money but many of the townspeople kept their valuable papers there. Thus the Elys provided goods, groceries, cattle feed and banking service.

To all this they added yet another service, that of travel agency. They advertised that they would engage "stage and steamboat passages" for travellers. Sargeant and Chapin's stage lines were running on both sides of the river and during the 1830's the Massachusetts, Vermont, Phoenix and Agawam took passengers to Hartford. The Elys could not in those days phone ahead for reservations but would give to "those planning a visit to New York, letters of introduction to Samuel France's Queen's-Head Tavern, corner of Broad and Queen Streets."

People from remote corners of the town came with horse and wagon to Ely's store for their supplies, and Springfield people came across the Old Toll Bridge to take advantage of the many services of this shopping center.

John Robert, infant son of Mr. and Mrs. Robert Delnero was baptized Sunday, June 16th by Rev. Ronald J. Tamblyn in the Feeding Hills Congregational Church.

## Police Distribute 'Jimmy' Fund Banks

Chief Ken Grady reminds you that your Police Officers have distributed to all businesses throughout the town the "Jimmy" fund banks in order that you can help "Give Your Pal A Chance."

The "Jimmy" fund story is without a doubt one of the most fascinating stories of charity ever to become a reality.

You have helped make it so because as parents and friends, you have taken this project to heart and through your contributions have played an active part. The police are grateful and continually aware of the integral part you play.

It is a story that typifies the goals of the foundation where research, treatment, kindness and care goes on day and night at the Children's Cancer Research Foundation "FOR THE CHILD'S SAKE."

You have helped make the Jimmy Fund Hospital a place where many people enter each day with the hope there will be a tomorrow. It is only with your continued support doctors and scientists can bring an end to this dread disease.

They do a lot of counting at the hospital and frankly, as in the past, they are counting on you.

YOU WILL HELP — WON'T YOU?

## SPORTSMEN'S CORNER

By Bill Chiba

Want to have more pheasant hunting this fall? You can, if you act now. You and your buddies can establish your own private shooting preserve that can provide some topnotch, low-cost shooting.

The Sportsmen's Service Bureau has recently published a

new booklet, How To Have More Pheasant Hunting that contains all the answers to how it can be done. It even describes a model group that has made it pay in pleasure and many rewarding hours in the field.

For your copy of the 16-page booklet, write the Sportsmen's Service Bureau, Room 509, 420 Lexington Avenue, New York 17, N. Y. Include 25c to cover the cost of handling and mailing.

### Saltwater License

The question is often asked, how many states now require saltwater sport fishing licenses and which ones are they? The answer, as we have gleaned it from a study of the state fishing laws and regulations, is that at least seven of the 23 coastal and oceanic states now require some kind of saltwater sport fishing license. These are Alabama, Alaska, California, Louisiana, Oregon, Texas, and Washington.

The requirement of a license to fish salt water is slowly gaining momentum in the other 16 coastal states. The question has been brought up several times in Massachusetts at various gatherings of sportsmen. Fortunately, from this corner's view point, the idea has been knocked in the head before it could get off the floor. We believe that the fishermen of the Commonwealth spend enough money now paying for the sport of fishing. A salt water license is just another method of raising taxes. The fishermen is overburdened with taxes now. We can do without this license.

### Skeet Shoot

The third annual Kiver Mitchell Memorial registered skeet shoot will be held July 6 and 7 at the Fin and Feather Club in Millis.

Both the 20-gauge shoot Saturday and the all-bore shoot Sunday will be conducted under NSSA rules and classifications.

The purse, trophies and a 10-year plaque for top guns have been donated by the Calring

# DRIVE SAFELY

.... You and Only You Are Responsible  
For The Safety of Your Community!

With the summer vacation season, comes the need for extra care in operating Motor Vehicles. BE SURE your car is in good operating condition. Have GOOD BRAKES, LIGHTS and STEERING. Keep your WINDSHIELD clean and use the proper signals for turning and stopping.

Drive at reasonable speed, have proper rest and DON'T DRINK AND DRIVE.

The highways will be patrolled by State and Local Police as well as Registry of Motor Vehicle Inspectors, who will do their part in keeping our highways safe.

This week children will start riding their bicycles and continue during the summer months. Bicyclists should obey the Rules of the Road for Bicycle Riders. Stop signs are for bicycles as well as motorists.

At least 51,000 people will DIE in traffic accidents this year unless YOU and every other motorist do YOUR part to make our highways safe!

Over 41,000 people DIED in traffic accidents last year. Traffic takes MORE LIVES in ONE YEAR than were lost during the Korean War. Last winter, on a foggy morning in California, it took but a fraction of a second for just one careless driver to start a massive accident that involved over 200 other vehicles!

Why all this mad and gruesome slaughter on our highways? INCONSIDERATION. EXCESSIVE SPEED. NEGLECT OF SAFE DRIVING RULES. These are the reasons.

Every time the wheels start moving on your car, you can MAIM and MURDER! Your car is a lethal weapon MORE DANGEROUS than a cocked and loaded shotgun. You and ONLY YOU are RESPONSIBLE for how you handle this deadly instrument. DEATH can come in one split second of carelessness, to YOU, to others.

You must DRIVE SAFELY, and you must INSIST that the members of your family do so ALSO. Make SURE that your wife and your children know and use the rules of safe driving. . . . DON'T WAIT for the anguish of a sobbing voice that cries "I killed somebody!" Professional driving lessons for the unskilled or inept driver, cost very little — a fraction of the cost of an accident, a ruined automobile, or the weight of a charge of "involuntary manslaughter" on YOUR conscience.

YOUR COURTESY AND CONSIDERATION on the road will SAVE LIVES, not smash them out! Be a SAFE DRIVER and be PROUD of it. YOU can be a SAFE DRIVER if you use COURTESY AND SAFE DRIVING RULES. Stay alert and stay alive!

Published in an effort to save lives in cooperation with the Agawam Police Department, the Massachusetts Highway Safety Committee and the National Safety Council.

### Dorothy Collins Stars In Family-Type Musical "The Unsinkable Molly Brown"

One of New England's biggest favorites, Dorothy Collins, will star in Meredith Wilson's laugh-filled frolic and true-life story — "The Unsinkable Molly Brown" — at the Storrowton Music Fair for two big weeks beginning Monday, June 24th.

Recent star of TV's "Candid Camera", "Hit Parade" and Perry Como's show, Dorothy scored a huge success last season in "Brigadoon" and will bring her dulcet voice, exquisite beauty and histrionic talent to the name role of "The Unsinkable Molly Brown". Because of her tremendous popularity, she is the only star booked for a two-week engagement this season.

The rollicking Broadway musical smash, with lyrics and music by the creator of "The Music Man", was a solid hit in New York for nearly two years and is making its summer debut on the Music Fair circuit. It concerns a Colorado mining saloon lass who meets, falls in love, and marries a two-fisted prospector shortly before he strikes it rich. Richard Morris wrote the book.

The hit songs include "I Ain't Down Yet", "Belly Up To The Bar, Boys", "Chick-A-Pen" and "If I Knew".

Walter Farrell, another Music Fair favorite, is featured in the important role of Johnny Brown — the prospector. The impressive cast of Broadway veterans in the supporting cast includes Dolph Sweet, Lu Leonard, Adaire McGowan Sam Kressen, Caroline Parks, James S. Tolkan and Jonathan Morris.

The production was directed by Christopher Hewett; choreographed by Vito Durante, and under the musical direction of Herbert Hect. Warick Brown designed the settings and Peter Joseph is credited with the costume design.

In addition to the Family Matinee on Saturday — when a child under 12 is admitted free with the purchase of an adult ticket — there will be a Bargain Matinee on Wednesday at 2 o'clock when admissions are only \$1, \$2 and \$3. — the lowest prices in the entire United States for musical comedy productions with first rate stars!

### Rev. Dunn . . .

(Continued from Page 1)  
gram in 1955, chairman of the Recreation Study Committee, chairman of the Town Manager Study Committee and is presently chairman of the Council for the Aging and a Town Meeting Member. He is Chaplain of the Hampden County Training School a post he has held for sixteen years under the direction of Superintendent Thomas Reidy and the County Commissioners.

In 1954 Mr. Dunn and close friends formed the American Institute of Religion a non-profit organization which has been active in proposing solutions to some of society's most serious problems. The Institute was responsible for forming in 1957 the Massachusetts Citizens Organization for Highway Accident Prevention comprising some 17 bodies and nearly 3,000,000 members. The Institute Plan to solve this problem has been widely hailed.

As president of the Institute Mr. Dunn has been active in promoting a solution to the problem of juvenile delinquency and crime. He has appeared before top community officials in Kansas City, Flint, Toledo, and Newark and has worked with officials of other communities on this problem.

Since 1955 he has been a frequent visitor to Washington where his testimony on the solution of the crime and delinquency problem has been favorably received in both the House and the Senate and is on record in the files of the legislative branches. Vice-President Johnson, Senators Mundt, Fulbright, Symington, Dodd and Congressman have given high commendation to the Institute solution.

Already numerous testimonial letters have been received by the Committee of Arrangements on the work and ministry of Mr. Dunn. These have come from all over America and include such leaders as Dr. Daniel Marsh, Chancellor of Boston University, Dr. Dana Greeley, head of the American Unitarian-Universalist Association, Dr. Emory Bucke, editor of the Methodist Publishing House in Nashville, Holgar Johnson, president of the Institute of Life Insurance, Senator Saltonstall, Bishops Donald Campbell and W. Appleton Lawrence and from Springfield Roger Putnam, chairman of the Board of Package Machinery, Frederick Van Norman, and Dr. H. Hughes Wagner of Trinity Methodist Church.

It is the hope of the Anniversary Committee that all friends, acquaintances and fellow townsmen will come to this informal open house to congratulate.
